

Rev. Bianca's Ministry Bio

Rev. Bianca Faith Johnson is the product of an ambitious mother and praying elders. Bianca has been in attendance at St. Albans Baptist Church where the Rev. Dr. Curtis T. Harding Jr. is the Pastor Emeritus, for the past 20 years. During this time, she has been active in 10 plus ministries. Bianca received Christ as her Savior at age 8, re-dedicated her life at age 13, and then was Baptized at age 16.

Ever since young, Bianca knew God had something more for her life, so at the tender age of 16 she preached her first sermon, was licensed to preach the gospel at age 20 and was ordained at age 30. Bianca also has a passion for traveling and service which afforded her the opportunity to preach, teach dance, and feed and clothed thousands of orphans in countries such as Kenya, Haiti and Vietnam. Bianca has also been able to share her gift of spoken word at numerous conferences and events including the Circle of Sisters Expo for WBLS for several years. Bianca also was able to be the keynote speaker for the UNCF's "Mind is a Terrible Thing to Waste, Annual MLK Luncheon," where she was honored to speak on the "State of Black America."

Bianca attended Queens College on a full Scholarship, and is a graduate of Touro Law Center, where she received her Juris Doctorate. Bianca is also a student at Rutgers University pursuing her Masters in Business Administration. Bianca currently works for DC37's Municipal Employees Legal Services and is an English Adjunct at Queens College, where she uses every opportunity to make a difference in someone's life.

Bianca's was involved in a near fatal motorcycle accident on July 4, 2017, which left her paralyzed from the chest down. However, that did not stop her from pursuing and achieving her many dreams, such as becoming a woman of Alpha Kappa Alpha Sorority, Incorporated, serving on the Board of Directors of "Push To Walk," a Spinal Cord Injury Gym, in Franklin Lakes, New Jersey and proudly serving as the active President of "God's Gospel Cafe, Network," a non-for-profit organization that focuses on community engagement, evangelism, activities and resources, just to name a few.

Bianca has suffered many losses post injury but through it all, she never forgot the author and finisher of her faith and continues to press on getting stronger and stronger each day. Bianca's favorite scripture comes from Isaiah 54:17, "no weapons formed against me shall prosper and every tongue that shall rise up against thee in judgment thou shalt condemn..." and she believes that there is nothing she can't do!
